

ScottMadden to Sponsor and Present at 2016 SSON Finance Transformation Event

ATLANTA, GA – (September 15, 2016) – ScottMadden, Inc., a general management consulting firm, will sponsor and present at the 11th Annual Shared Services & Outsourcing Network (SSON) Finance Transformation in Dallas, TX that will take place September 19-21. This event will include various tracks, case studies, and presentations covering the entire spectrum of finance and accounting challenges in shared services. [Brad DeMent](#), partner and finance and accounting practice area leader at ScottMadden, will serve as conference chair.

“Finance is rapidly transitioning into a new era of artificial intelligence, robotics, and globally integrated models,” said Mr. DeMent. “ScottMadden foresees new financial models that look very different than the ones we have today. I look forward to hearing what others are planning and doing.”

ScottMadden’s [Trey Robinson](#), partner, and [Honorio Padron](#), partner, will present a workshop on The Future of Finance: Strategies for Starting the Evolution. This workshop focuses on the essential activities to plan, launch, and stabilize a new finance transformation operation.

Additionally, Brad DeMent and Jason Davis, director, will present a workshop on How to Advance Your Finance Model Using Next Generation Concepts. This workshop will discuss the five guiding principles to move beyond stage one of transformation.

This three-day event will provide practical guidance, tools, and techniques needed to elevate finance organizations to the next level of value add. For more information or to register for this event, please visit the conference website [here](#).
