## ScottMadden to Sponsor and Present at S&P Global 30<sup>th</sup> Annual Power and Gas Symposium

**ATLANTA, GA – (January 25, 2017) –** ScottMadden, Inc., one of North America's leading general management consulting firms, is proud to join industry leaders as executive sponsor and presenter at S&P Global Market Intelligence's 30<sup>th</sup> Annual Power and Gas M&A Symposium at the Ritz-Carlton Battery Park February 13–15 in New York City. The event features leading industry professionals who will provide insights about the financial markets upon which we depend and the deal space within those markets.

<u>Stuart Pearman</u>, partner and energy practice leader at ScottMadden, will be presenting insights from ScottMadden's "<u>Energy Industry Update – As Yogi Berra Might Say....</u>" The publication was received by more than 10,000 industry leaders and provides insight into the top issues and trends in the energy landscape. During the special breakout session on day one, ScottMadden will present "Interactive Strategic Issues Discussion: What Would Yogi Berra Say?" which will include the following topics:

- Is the duck curve what we think? Will the "duck" migrate?
- What is the real cause of declining consumption?
- Federal-state jurisdiction who is really in charge?

"S&P's M&A symposium is always a premier event. We are delighted to be a part of it and look forward to a lively discussion about the industry big picture. We will share our insights and add in a few from Mr. Yogi Berra," said Mr. Pearman.

For more information about this conference, please visit the <u>event web site</u>. If you have not already registered, you are eligible to receive a 10% discount off of the standard registration fee, courtesy of ScottMadden. To register at this rate, please visit the conference registration page <u>here</u> and enter the promo code "SMPGMA17".

## About ScottMadden's Energy Practice

We know energy from the ground up. Since 1983, we have been energy consultants. We have served more than 300 clients, including 20 of the top 20 energy utilities. We have performed more than 2,400 projects across every energy utility business unit and every function. We have helped our clients develop strategies, improve operations, reorganize companies, and implement initiatives. Our broad and deep energy utility expertise is not theoretical—it is experience based.

## About ScottMadden, Inc.
