

ScottMadden to Sponsor NEI's Nuclear Energy Assembly and Explore Industry Changes

ATLANTA, GA – (May 8, 2018) – ScottMadden, Inc., one of North America's leading energy consulting firms, will join industry leaders as a sponsor of NEI's 65th Annual Industry Conference and Supplier Expo: [Nuclear Energy Assembly \(NEA\)](#) in Atlanta from May 21–23. This conference unites nuclear experts to learn how to play a role in nuclear plant preservation, state and national advocacy, national security, and efficient regulation.

[Chris Vlahoplus](#), [Sean Lawrie](#), and [Ed Baker](#), partners at ScottMadden, will attend the event to further explore nuclear generation for achieving real reductions in carbon emissions. [Their latest report](#) highlights the potential for “giving back” gains in carbon-free generation from solar and wind through early retirement of nuclear.

“I look forward to participating in and hearing discussions about how we keep nuclear as a significant carbon-free part of our energy mix,” says Mr. Baker.

“This year's conference will be one of the most anticipated Nuclear Energy Assemblies in recent years because of the call to unify the industry's messages to promote the value of nuclear power in the marketplace,” adds Mr. Lawrie.

About ScottMadden's Energy Practice

We know energy from the ground up. Since 1983, we have been energy consultants. We have served more than 400 clients, including 20 of the top 20 energy utilities. We have performed more than 3,000 projects across every energy utility business unit and every function. We have helped our clients develop strategies, improve operations, reorganize companies, and implement initiatives. Our broad and deep energy utility expertise is not theoretical—it is experience based.

About ScottMadden, Inc.
